

511 New York is the free, official, one-stop, all-encompassing telephone and Web service offering information on transportation services and conditions throughout New York State. This information is available 24 hours a day, seven days a week. With an easy way to find ^{trip}-planning resources, traffic conditions, weather updates and alternative transportation information, 511 NY helps you control your travel so you can travel smarter. Save time and money and reduce stress. By making it simple for you to learn about and to start using alternative transportation options – such as carpools, vanpools, ride-sharing, buses, trains, ferries, bicycling and more; 511 NY can help to reduce overall traffic congestion, air pollution and energy use.

Learn more at www.511NY.org or call 511. Learn more about ridesharing options by clicking on the "Rideshare" icon at 511NY.org, or call 511 and say "Rideshare".

511NY is a free service of the New York State Department of Transportation (NYSDOT).
